

NOR
2023 PBYC Sunday Series
PHRF

Boat Classes: PHRF - boats with aux engine and >=19ft

Race Dates: July 9th, 23rd August 6th, 20th September 3rd

Registration: 11am – noon day of event on the PBYC deck.

You may also download a registration form at www.pbycnj.org from the event calendar.

Fees: \$60 for series or \$20/day

Skippers Meeting on PBYC Dock: Noon, each race day.

First Warning: 1:00pm

Start sequence sounds will emanate from a start boat or the PBYC dock.

Scoring:

Race results will use the Time-on-Time method of establishing places. Low point scoring will be used for the series. To qualify, participants must complete 60% or more of races started. If all scheduled races are run the participant will have one drop. All boats will be scored together. Only boats having paid the registration fee will be scored.

The Race Committee will assign each boat a PHRF rating. The first 4 scheduled races are considered non-spinaker competitions. However, boats wishing to use a spinnaker in the first 4 scheduled races may do so if they inform the race committee at the finish and will have their time adjusted by 10 sec/mi. The last scheduled race is the Murphy race when spinakers can be used without penalty.

Trophies

Boats will be divided into two fleets for the purpose of awarding First thru Third place overall trophies. Fleet A will consist of boats with <200 PHRF rating and Fleet B will consist of boats with PHRF ratings >=200.

PHRF

First, Second and Third place overall (PHRF Fleet A) (full series fee required)

First, Second and Third place overall (PHRF Fleet B) (full series fee required)

First place Murphy Bowl (PBYC boat, last race)

First Place Murphy Trophy (outside club, last race)

Dock Rat Bowl (PBYC inboard boat, last race, not 2 years in a row)

Qualifiers

Trophies will be awarded at the social event following the last day of racing.

After Each Race:

PBYC often has an informal social event late Sunday afternoon on race days. Reservations are usually required. Please look to www.pbycnj.org event calendar for information.
